In 1992, George Geary

Culinary Tours created the “Great Tour of New Orleans”. Back in '92 the “foodies” on the tour were mainly from California and we all flew together. Years later my schools expanded throughout

the country and we started meeting up at the hotel. It’s a great getaway full of fun and foods! This year we have two price structures, in case you do not have all of the time you can still enjoy the shorter tour.
